April 1, 2021

Board of Commissioners
Ionia County, Michigan

Honorable Members:

The Ionia County Equalization Department has prepared the 2021 Equalization Report in accordance with Michigan Compiled Law 211.34 as amended. This involved conducting an Equalization Study in each classification of real property and the aggregate personal property classification in each of the 19 assessing jurisdictions within the County.

Contained within this report are the various values as extracted from each jurisdiction's assessment roll. Any class of property within an assessment jurisdiction not having a ratio between 49.00% and 50.00% has been equalized to 50.00% as required by the State Tax Commission guidelines. All County Equalized Values are subject to review and possible change by the State Tax Commission through the State Equalization process in May. Please note the values contained in this report are advalorem values only, special acts property values are not subject to Equalization.

At the beginning of this report you will find an unsigned copy of the "L-4024" report to be approved and signed by the Board of Commissioners. The report then shows county wide statistics and totals, and then further shows values of each assessing jurisdiction and school districts by property classification.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Anthony E. Meyaard", is written over a horizontal line.
