Ionian County

Equalization Report

Prepared By:
Ionian County Equalization Department

Ionia County Equalization Department
100 West Main St.
Ionia, MI 48846

April 18, 2018

Board of Commissioners
Ionia County, Michigan

Honorable Members:

The Ionia County Equalization Department has prepared the 2018 Equalization Report in accordance with Michigan Compiled Law 211.34 as amended. This involved conducting an Equalization Study in each classification of real property and the aggregate personal property classification in each of the 19 assessing jurisdictions within the County.

Contained within this report are the various values as extracted from each jurisdiction's assessment roll. Any class of property within an assessment jurisdiction not having a ratio between 49.00% and 50.00% has been equalized to 50.00% as required by the State Tax Commission guidelines. All County Equalized Values are subject to review and possible change by the State Tax Commission through the State Equalization process in May. Please note the values contained in this report are advalorem values only, special acts property values are not subject to Equalization.

At the beginning of this report you will find an unsigned copy of the "L-4024" report to be approved and signed by the Board of Commissioners. The report then shows county wide statistics and totals, and then further shows values of each assessing jurisdiction and school districts by property classification.

The Ionia County Equalization Department is pleased to report that all assessing jurisdictions are being equalized as assessed and therefore, requiring no equalization factors.

I would like to commend the Equalization Department staff and each of the County's assessing officers for their dedication and hard work throughout the past year which has made this report possible.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Anthony E. Meyaard", is written over a horizontal line.

Anthony E. Meyaard M.M.A.O. P.P.E.
Ionia County Equalization Director
