PARENTING TIME OFFSET OVERNIGHT PARENTING TIME VERIFICATION

As of October 1, 2008, the Michigan Child Support Formula factors in the number of annual overnights each parent exercises when determining child support.

In order to calculate the support order, the Friend of the Court requires each parent to complete the following section:

STATE THE NUMBER OF OVERNIGHTS PER YEAR THE CHILD(REN) SPENDS WITH:

Mother _____

Father _____

I certify that the above information is true, accurate, and complete.

Date: _____

Signature

Printed Name

Case No. _____

Please note that failure to respond to this request or agree on the amounts may result in the Friend of the Court making a determination as to the number of annual overnights the child(ren) are with each parent.

If both parties fail to respond to this notice and your current order allows for **reasonable and liberal parenting time or the Court Parenting Time Policy**, the Friend of the Court will assume that the parent exercises **86 overnights annually**.

If both parties fail to respond to this notice and your current order allows for a **specific parenting time schedule**, the Friend of the Court will determine the average overnights according to the order when determining child support.

If only one party responds to this notice, the Friend of the Court will use the numbers he or she provided for determining support.

If the parties do not agree to the number of overnights, the Friend of the Court will use the actual court order for determining support in the absence of credible evidence otherwise.
