IONIA COMMUNITY LIBRARY PROPOSAL

Library Millage Proposal

Shall the Ionia Community Library, County of Ionia, Michigan, be authorized to levy a new additional millage in an amount not to exceed .98 mill (\$0.98 on each \$1,000 of taxable value) annually against all taxable property within the Ionia Community Library district for a period of twenty (20) years, 2022 to 2041, inclusive, for the purpose of providing funds for all district library purposes authorized by law, including but not limited to renovating, operating and maintaining a new library building? The estimate of the revenue the Ionia Community Library will collect if the millage is approved and levied by the Ionia Community Library in the first year (2022) is approximately \$426,000. By law, a portion of the millage collected may be subject to capture by the Ionia County and City of Ionia Brownfield Redevelopment Authorities.
