May 8, 2024

Dear Ionia County Board of Commissioners,

We are writing on behalf of the City of Belding to express our support for the Ionia Conservation District's proposal regarding the Ionia Recycling Project. The Belding City Council is aligned with the goals of the project, recognizing the importance of sustainable waste management practices. We believe that establishing a recycling compactor site in our community will significantly contribute to reducing environmental impact and promoting a more sustainable Ionia County.

We look forward to collaborating with the Ionia Conservation District to make the Ionia Recycling Project a resounding success. If there are any further details or requirements needed from our end, please do not hesitate to reach out. Thank you for your dedication to environmental conservation, and we are excited about the positive impact this project will have on our community.

Sincerely,

Bruce Meyers
