New Business

- A. Moved by Vroman, supported by Banks, to approve the Resource Recovery Services Agreement between the County of Ionia and the Ionia Conservation District for resource recovery services for a one-year period at a cost of \$20,000 and authorize appropriate signatures. Motion carried by voice vote.
- B. Moved by Tiejema, supported by Lower, to approve the grant agreement between the County of Ionia and Michigan Department of Agriculture for the Clean Sweep Grant in an amount of \$18,000 and authorize appropriate signatures. Motion carried by voice vote.
- C. Moved by Banks, supported by Mason, to increase the part-time Information Technician position to a full-time position. Motion carried by voice vote, with Lower voting no.
- D. Moved by Banks, supported by Mason, to authorize filling the Information Technician Director position at a Grade 12, Step 1, effective immediately. Motion carried by voice vote.
- E. Jeff Radike, Assistant Friend of the Court, requested authorization to make the Case Management Assistant position a permanent position. Radike explained that with the Cooperative Reimbursement Program contract, the Friend of the Court satisfies the 1/3 of the reimbursement for this position via revenue including statutory fees, filing fees, judgment entry fees and federal incentives based on child support collected. Moved by Mason, supported by Lower, authorizing the Case Management Assistant position is made a permanent position at the Friend of the Court Office. Motion carried by voice vote.
- F. Moved by Tiejema, supported by Mason, to approve the Commercial Natural Gas Supply Contract with Volunteer Energy and authorize appropriate signatures. Motion carried by voice vote.
- G. A lengthy discussion took place concerning the renovation of the front steps of the courthouse. Don Ransom, Physical Plant Director, stated that the steps have reached such a point of deterioration that they have become a safety issue and needs to be repaired. Ransom indicated he only received one bid, which was broken down into three different bids, which were: Option 1 is to remove and replace the steps; Option 2 is to remove and replace the steps and to prep the steps with a snow melt system; and Option 3 is to remove and replace the steps with the installation of the snow melt system. The total cost would be \$52,200 for all three options with funds to come from the General Fund Designated. Commissioners questioned the need for a snow melt system if the front entrance will be locked in the near future due to the single point of entry. Commissioner Mason questioned the need for a snow melt system at the handicap ramp. Ransom explained that regardless of whether the front entrance would be used, the steps still need to be cleared of snow

at all times due to this becoming an emergency exit. Moved by Vroman, supported by Mason, to authorize Options 1 & 2 of the contract with Cusack's Masonry Restoration, Inc. with funds to come from the General Fund Designated Fund and to authorize appropriate signatures. Moved by Tiejema, supported by Shattuck, to amend the motion to include Option 3. The Chair called for a vote on the amended motion. Motion carried by voice vote. The Chair called for a vote on the original motion which was for options 1 & 2 of the bid. Motion carried by voice vote.
